President's Corner

Where did the year go? We are already getting ready for our Christmas dinner and election of officers. If you want to run for office in the club and you have not given your name to any of our current officers, you have a little while to call one of us and get your name on the ballot.

Thank you to those members who agreed to be on the ballot for the December election. We will see some new people in charge and they will bring new ideas and energy.

I also want to thank all of you who helped me get through 2008. It was an honor to serve as President of *The Rakers Car Club* of Port Townsend.

Mike Hammers
President
